MEMORANDUM FOR: Sally Kelley
Director of Agency Liaison
Presidential Correspondence
The White House

SUBJECT: 25 April Letter to President Reagan from Senator Symms,
et al (ID #303714), and 2 October letter to President
Reagan from Senator Helms (ID #370926)

Subject correspondence (attached) was forwarded to CIA for action on
16 September and 14 November respectively.

The response to both letters was dealt with by a 2 December letter to
Senator Helms from the DCI.

Due to the sensitivity of the response, the DCI met with Senator
Helms privately on 2 December and a copy was left with the SSCI on 3
December. Per our conversation, and again because of the sensitivity, I
am not providing a copy of the response along with the correspondence and
worksheet. A record of all correspondence, however, will remain in our
Executive Registry.
